About

I'm an interface designer passionate about creating modern, functional digital experiences. I collaborate to transform ideas into clear, user-centered interfaces while also developing brand identity systems, logo design, and packaging that help businesses grow and connect with their audience.

Experience

Graphic Design Intern

Design Asylum | Honolulu, HI | Sept 2025 – Present

- Collaborate with creative directors on branding and UI concepts.
- Build modular design systems including color, type, and spacing rules.
- Create packaging concepts aligned with product positioning strategies.
- Prepare client-ready presentations and production ready assets.

Donut Baker & Barista

Holey Grail Donuts | Honolulu, HI | May 2024 – Present

- Delivered a welcoming, brand-aligned customer experience through clear communication and product knowledge.
- Prepare fresh donuts daily while meeting quality and safety standards.
- Glaze and finish orders to match brand presentation guidelines.
- Managed high-volume orders in a fast-paced environment while maintaining accuracy and presentation quality.

Mobile Associate

T-Mobile | Honolulu, HI | Sept 2023 – Jan 2024

- Delivered exceptional service through device selection and plan support.
- Exceeded sales targets by clearly communicating product value.
- Educated customers on new technologies and personalized solutions.
- Managed multiple customer interactions simultaneously in a fast-paced retail environment.
